Biometric Corporation Appoints Sales Director

Dallas TX, Monday, February 14, 2005 – Biometric Corporation announces the appointment of Mr. Robert Murray to Biometric's sales team.

"We are happy to have Bob join our sales team." states John Carter, President. "Bob's experience, professionalism and commitment to excellence will ensure that our customers receive the best possible service." "We know that this addition to the team will strengthen the relationships with our customers and will be a key factor in establishing Biometric as the premiere service provider for electronic monitoring solutions."

Headquartered in Dallas Texas, Biometric Corporation is a privately held Texas corporation that develops community based electronic monitoring and GPS tracking solutions for the corrections industry. For more information please visit www.biometric-corp.com or call 800-936-5031.
